Mr. Hinkley,

I am writing in appreciation of the wonderful Books4Kids program that Literacy and Beyond provides for our students at Roosevelt Elementary. Each month, our students in Kindergarten, 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> grade receive a book to help celebrate the love of reading. These are popular and level-appropriate books that our kids enjoy.

After each book give away, our students are buzzing with excitement about the books that they receive. Parents will call in appreciation for the kindness and positive reaction from their children. This is a proactive way to get books in the hands of our students that may not otherwise have access to a book of their own.

It is with great community partnerships like Literacy and Beyond that our students have gained a greater appreciation for books. As our students grow and learn, these books will become an important part of their Roosevelt memories.

We are thankful for this program and are hopeful to work together in the future.

Thankfully yours,

Chris Johnson
